## NORMAL GRIEF VERSUS COMPLICATED

### Course Overview:

This course explores the differences between normal and complicated grief. Explanations of the symptoms associated with each type of grief will be discussed. Attendees will learn how to recognize the behaviors of complicated grief. How grief is managed will also be reviewed in this course.

### Target Audience:

- Nurses
- Nurse Practitioners
- Physician Assistants
- Social Workers
- Certified Nurse Assistants
- Long-Term Care Professionals
- Clergy
- Spiritual Caregivers

### Course Objectives:

- Be able to recognize five stages of grief
- Define normal and complicated grief
- Identify symptoms of normal and complicated grief
- How to manage grief

### Continuing Education Credit:

To receive up to one hour credit, participants must provide professional license number at registration, sign the appropriate attendance roster, attend the entire program, and complete an evaluation. The Kentucky Board of Nursing and Kentucky Board of Social Work approval of an individual continuing education provider does not constitute endorsement of program content. The Kentucky Board of Nursing approval number KBN# 4-0140-12-16-019, expires December 31, 2016. The Kentucky Board of Social Work approval number is KBSW# SP1202-6.

### About the Speaker:

Jamie Green, BSW, LSW, is a bereavement counselor with Community Hospice. She provides support to patients and families for end-of-life care. Jamie also facilitates support groups and provides individual counseling to families after loss.
